Blood Guilty

Written By Antoine O Flatharta

Directed By Harvey Williams

Cast:

Pat - Roger Gordon

Dan - Jay Weiler

John - Fernando Mendoza

Tom - Grayson DeJesus

Director's Notes:

Blood Guilty, by the Irish playwright Antoine O Flatharta, delves into heart the conflict between two pairs of brothers. The younger brothers, con-artist blanket sellers, stumble upon a rural cottage in southern Ireland.

They pursue a blind man in attempt to con him. When the other brother returns home, the four characters find themselves falling into a massive struggle between the past and the present which takes them through blood spilt lines of pain and realization. Thanks to my friends, family, the cast and everyone that helped to make this happen.

-Harvey Williams

~~There will be a ten minute intermission~~

What I Meant Was

Written by: Craig Lucas

Directed by: Emika Abe

CAST:

Helen - Ashley Windham

J. Fred - Peter Kriss

Fritzie - Craig Piaget

Nana - Deborah Rosengaus

DIRECTOR'S NOTES:

Craig Lucas, the award-winning playwright of "Prelude To A Kiss", brings us a gloriously dysfunctional American family who gets a chance to relive their past (and future). If only we all could go back and say the words that we meant to say.

Unfortunately, life doesn't have an instant replay button. So why don't we just do it right the first time around?

"but he would have us remember most of all to be enthusiastic over the night, not only for the sense of wonder it alone has to offer, but also because it needs our love."

-W.H.Auden, In Memory of Sigmund Freud

Philip Glass Buys A Loaf of Bread

Written By: David Ives

Directed By: Sheila Vand

Philip Glass -	Daniel Moyer
Baker -	John Deline
1st Woman -	Margaret Gordon
2nd Woman -	Niamh Arthur
Shelver 1 -	Kyle Garson
Shelver 2 -	Priscilla Mendoza
Toast -	Matt Deline
Cupcake -	Caroline Damon

Directors Note: "Philip Glass Buys a Loaf of Bread" is based on the actual musical composer Philip Glass, whose music you will hear during the play. When Philip Glass accidentally hits a giant, red button, the characters are thrown into a kaleidoscope of words. I hope you can hear the sweet sound of perfection and the importance of context while watching this play. Enjoy!

Hello People!

Welcome to the One-Acts! I hope you enjoy it :) Well, if you do I would like you to help me give an applause to; Mr. Kaufmann, for writing this play, the actors, for playing it out, the crew, for all their back-stage work, but most of all I want to applaud Mr. Shelby. Without you "Still Alarm" would not have happened. Special thanks also go out to; Jen (again..), for all the little-big things, Jevanna for the posters, Palo Alto Fire department for letting us borrow the fire-suits, Bach for the music, Spangenberg for the smoke (..) and everybody watching it (you). But, enough with the small talk, let's jump in; Two women in their 30's having a "girls night in". What on earth could make this interesting?
